JOHN HART, { WHEREAS the
Acting Minister of Lands. { Nicks Island Dyking District is an improvement district under the "Water Act, 1939," and was incorporated by Letters Patent issued on the sixteenth day of June, 1943:

And whereas by section 50 of the said Act authority is given to recall the Letters Patent of an improvement district and to issue in their place other Letters Patent:

And whereas We have thought fit, by and with the advice and consent of Our Executive Council, under and by virtue of the powers and authorities in that behalf enabling, to recall the Letters Patent of the Nicks Island Dyking District and to issue in their place these Letters Patent:

NOW KNOW YE that by these presents We do hereby order and proclaim that:—

1. The tract of land comprising Lots 10002 and 14878, Kootenay District and all subdivisions thereof, and the owners of land in the said tract are incorporated into an improvement district under the "Water Act, 1939."

2. The name of the said improvement district is "Nicks Island Dyking District."

3. The objects of the said improvement district are the acquisition, maintenance, repair, replacement, improvement, and operation of works for the reclamation and development of the lands in the improvement district by dyking, draining, pumping, and incidental means.

4. There shall be three Trustees of the said improvement district.

5. The first Trustees of the said improvement district shall be William Linden Bell and Alfred Phillip Berg, of Creston, B.C., and Ernest Edward Poole, of Edmonton, Alberta, and they shall hold office until their successors are appointed or elected as hereinafter provided. In the event of the death, lunacy, or resignation of any of the aforesaid persons or of any person appointed to succeed any of them, the Comptroller of Water Rights, after consultation with the owners of land in the improvement district, shall appoint a Trustee to fill the vacancy.

6. When requested by the owners of more than one-half in area of the land in the improvement district the Trustees shall make provision for the election of three Trustees to succeed the Trustees then in office.

7. The elections of Trustees shall be held at the annual general meetings of the improvement district and it shall be the duty of the Trustees to call a general meeting of the own-

ers of land in the improvement district to be held between the first day of February and the first day of April in each year after 1943 for the following purposes:—

- (a.) To receive from the Trustees a report on condition of the works and a statement of the financial affairs of the improvement district:
- (b.) To discuss with the Trustees any matter relating to the works or finances of the improvement district:
- (c.) To fix the remuneration of the Trustees for the ensuing year:
- (d.) To elect a Trustee to succeed the one whose term of office expires coincident with the holding of such annual general meeting, and to elect a Trustee or Trustees to fill any other vacancy or vacancies that has or have occurred or is or are about to occur among the Trustees.

A special general meeting may be called by the Trustees at any time for the purpose of electing a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, or for the purpose of discussing with the owners any matter or matters which in the opinion of the Trustees should be brought up at a general meeting.

At least seven days' notice of every general meeting shall be given by notices posted up at the post-office at Creston, B.C., and in at least two conspicuous public places in the improvement district.

The secretary shall enter in a book provided by the Trustees for this purpose minutes of all matters brought before the meeting and the action taken thereon. At any general meeting every person shall be qualified to vote who is a British subject and is twenty-one years old or older and is an owner of land in the improvement district, or the authorized agent of any Board or corporation that is an owner of such land, or the legal representative of any owner of such land who has died, become insolvent, or insane, and is not disqualified from voting in an election held under the "Provincial Elections Act." No person shall be entitled to vote or be a candidate for Trustee at any such meeting while there is owing to the improvement district in respect of the land held by him or the corporation or estate he represents any taxes, tolls, or other charges other than those levied, fixed, or charged by the Trustees within one year of the date of the meeting. Each person qualified to vote as aforesaid shall be entitled to cast as many votes as there are acres of arable land in the parcel or parcels of land held by him in the improvement district, but not more than one of joint owners, executors, administrators, or trustees shall be entitled to vote in respect of any parcel of land. In the event of the right of any person to vote at any general meeting being challenged, the chairman shall have authority to determine whether or not such person is entitled to vote, and the chairman may require such person to make and file with him a statutory declaration showing that the declarant is qualified as aforesaid to vote at such general meeting. Forthwith after the holding of a general meeting the Trustees shall file with the Comptroller of Water Rights a true copy of the minutes of such meeting.

8. In the exercise of their authority to levy taxes, the Trustees shall in the years 1944, 1945, 1946, and 1947 levy on all arable land in the improvement district rates of taxes sufficient to provide for the current expenses of the improvement district and to pay its debts and, in addition, a special rate of not less than seventy-five cents an acre for the purpose of accumulating a reserve fund to provide for possible damage to the dykes of the improvement district. In the years after 1947, the said special rate shall be not less than fifty cents an acre, provided that if at any time the value of the cash, bank balance, and bonds to

the credit of the said reserve fund exceeds ten thousand dollars, the Trustees may, with the written consent of the Comptroller of Water Rights, omit from the tax by-law for that year the aforesaid special rate.

The Trustees shall place all moneys received in payment of the aforesaid special rates in the said reserve fund and shall invest the same in bonds of Canada or British Columbia and shall not use any part of the said reserve fund or the proceeds of any such bonds except with the written consent of the Comptroller of Water Rights.

9. All words and phrases given special meaning in section 2 of the "Water Act, 1939," shall, where used herein, be ascribed the meaning given them in the said section unless the context otherwise requires.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

WITNESS, His Honour WILLIAM CULHAM WOODWARD, Lieutenant-Governor of Our said Province, at Our Government House, in Our City of Victoria, this twenty-third day of November, in the year of our Lord one thousand nine hundred and forty-three, and in the seventh year of Our Reign.
